FINAL ISSUE FOR THIS YEAR**

BIG NEWS FOR ELYSIAN

We have just been informed by the Hoboken School District that Elysian will be renting 4 classrooms (all on the first floor) at DEMAREST for the coming year. None of our classes will be at Brandt.

The 2nd and 3rd grades will be moving to Demerest. The first grade will NOT be doubled up. Each first grade will have it's own room.

The kindergarten and fourth grade will both team teach with two teachers and two classes in a room. The use of the remaining room at RUE remains undetermined at this time, but I will have an answer before school closes.

I would like to thank everyone in the Elysian Community for their patience and understanding as we rode the roller coaster in finding space for next year. This is very exciting and much better news that we expected.

Thank you, Superintendent Carter, for having been willing to engage in these negotiations and for the results.

**Have You Noticed Your Child's Classroom
Looking
a Bit Bare? Do not despair.**

All teachers are required to have their classrooms completely packed up by 12:30 PM on Thursday, June 24, 2010. We're all getting ready for the BIG MOVE, and your kids are still doing and learning.

**THURSDAY, JUNE 24 at 1:00 PM, THE MOVE
BEGINS!**

Please volunteer now by contacting:
