

Staggered Arrival and Dismissal:

As we prepare for the return to full-time in-person school days, for the safety and health of our students we will have a staggered arrival and dismissal. Please remember all students will continue to be required to wear masks while at school. Please check your child's temperature daily before sending them to school. Refrain from sending your child to school sick. Students will be required to sanitize their hands before walking to their classroom. Please do not arrive before your child's designated time.

Multiple grade families will be allowed to arrive together at the arrival time of the earliest grade timeline.

If your child is entering the school through the Park Avenue door, we are recommending all students cross at 14th street and travel through the CVS path to the Park Avenue door. If arriving by car or a Kindergarten family, all will use the front door on Garden Street.

Upon arrival, all students must continue to socially distance themselves from one another. Families should remain together. Parents who accompany students to the school entrance must wear a mask. Upon arriving, students will be required to use hand sanitizer.
