### MEDICAL DISCLAIMER

Elysian Charter Day Camp will not have medical personnel on staff this coming summer. We will closely be following the updated 2022 summer camp health and safety guidelines set forth by both the CDC and New Jersey Department of Health, and will be adhering to any protocols and best practices in accordance with the guidelines for camps to ensure the ongoing safety of all campers and staff.

In the event a camper complains of feeling ill, or displays symptoms of the COVID virus, the parent/guardian or emergency contact will be called and asked to pick up their child as soon as possible from the camp. We are also entrusting the parent/guardian that if your child, or any household member, is displaying signs of COVID or has tested positive, you do not send your child to camp until it is safe to do so.

In the event of a minor cut or injury, a member of our staff will apply ointment, Band-Aids or an ice pack. If a camper complains of feeling ill (non COVID related), the parent/guardian or emergency contact will be called and asked to pick up their child as soon as possible. In the event of a severe injury or medical emergency, a staff member will call 911 immediately and a parent/guardian will also be notified immediately. Elysian Charter Day Camp will not administer any medication to our campers.

## **Elysian Summer Camp Code of Conduct**

Elysian Summer Camp is dedicated to providing an outstanding summer camp program and the best possible experience for your child. To accomplish this goal, campers are expected to behave appropriately and promote a safe, fun, and healthy environment through productive participation. We aim to promote character values of caring, honesty, respect, and responsibility in all aspects of our camp program. We ask that all campers and parents/guardians read the following camp expectations together and sign before arriving to camp.

### **Campers are expected to:**

- **Cooperate and contribute positively to the experience of fellow campers**
- **Show respect to the camp staff and cooperate fully with their instructions at all times**
- **Not engage in behavior which would endanger the health, safety, or well-being of any camper, counselor, or themselves**
- **Conduct themselves responsibly, understanding that horseplay, teasing/bullying or other unkind or inappropriate behaviors will not be tolerated**

**We do not have the ability to dedicate the full attention of a single staff member to only one camper. If it becomes apparent that a child requires individual supervision because of their behavior or any other issues, this compromises our ability to care for that child and the rest of the campers.**

### Agreement

As a parent, I understand that this experience is for ALL campers, and if my child's behavior is deemed to be outside the camp expectations and/or unmanageable, any of the following may be a result:

- Verbal counseling from camp staff
- Timeout from scheduled activities
- Parent/Guardian conference
- Dismissal from camp
