Dear Parent or Guardian,

If your child has been diagnosed with asthma, in order to ensure accurate treatment while your child is at school, I would like to set up a meeting with you to discuss their asthma history. The meeting can take place in person during school hours or over the phone. Please call me at school to set up a meeting time. It is vital for your child's health that we have an asthma action plan in school. The asthma action plan is available on our website.

Thank you in advance for your cooperation.

Sincerely,

Diane DeSombre, RN
School Nurse
