Dear Parent or Guardian,

If your child has been diagnosed with asthma, to ensure accurate treatment while your child is at school, I would like to set up a meeting with you to discuss their asthma history. The meeting can take place in person during school hours or over the phone. Please call me at school to set up a meeting time. We must have an asthma action plan in school for your child's health. I will be happy to address any questions or concerns.

Thank you in advance for your cooperation.

Sincerely,

School Nurse
